

Birthdays and Other Special Occasions

By making a donation to CHEO in lieu of gifts you help create a lasting remembrance and provide a healthy future for CHEO's children. As the only full-service pediatric hospital in the region, CHEO supports eastern Ontario, western Quebec, Nunavut and parts of Northern Ontario. CHEO staff handle over **250,000 patient visits** each year and with your support we can ensure that each child receives the high quality care they deserve.

The following are options for you to consider in recognition of your donation to the Hospital.

Invitation / Birthday Cards

A 3" x 5" classic bear card can be used along with your invitations at no extra cost. The invite/birthday cards will notify guests that you are accepting donations for CHEO in lieu of gifts.

Greeting Cards

A blank 8.5" x 5.5" unique tent card can be used in lieu of gifts for a special milestone or to request donations in lieu of gifts. Cards will be mailed to your recipient of choice. The card will include a message to acknowledge your donation or request for donations, reason for the donation and name. Below are the various Greeting Card options. **Please note:** Greetings cards are mailed to you or you recipient or may be purchased at the CHEO Foundation.
