

# CHEO Wedding Program

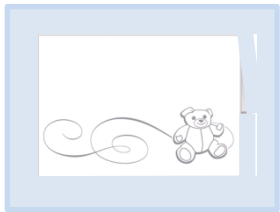

By making a donation to CHEO in lieu of giving wedding favours or receiving gifts, you create a lasting remembrance and help provide a healthy future for CHEO's children. As the only full-service pediatric hospital in the region, CHEO supports eastern Ontario, western Quebec, Nunavut and parts of northern Ontario. CHEO staff handle over **250,000 patient visits** each year. With your support we can ensure that each child receives the high-quality care they deserve.

The following are options for you to consider in recognition of your donation to the Hospital.

### Insert Cards

A 3" x 5" classic linen insert card can be used along with your wedding invitations at no extra cost. The insert cards will notify guests that you are accepting wedding donations in lieu of gifts towards CHEO.

### Tent Cards

A blank 8.5" x 5.5" classic linen tent card can be used in lieu of favours, or may be used to request donations in lieu of gifts. Cards can be provided to each guest, couple, or table. The card includes a message to acknowledge your donation or request for donations, the bride and groom's names and the wedding date.

### Emcee Message

A personalized letter for the emcee or DJ to read acknowledging your donation and its importance to CHEO.
