INDEPENDENT AUDITORS' REPORT

To the Directors of

Children's Hospital of Eastern Ontario Foundation

La Fondation du Centre hospitalier pour enfants de l'est de l'Ontario

We have audited the accompanying financial statements of **Children's Hospital of Eastern Ontario Foundation/La Fondation du Centre hospitalier pour enfants de l'est de l'Ontario**, which comprise the statement of financial position as at December 31, 2015, and the statements of operations and changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

A member firm of Ernst & Young Global Limited

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of **Children's Hospital of Eastern Ontario Foundation/La Fondation du Centre hospitalier pour enfants de l'est de l'Ontario** as at December 31, 2015 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

As required by the *Corporations Act (Ontario)*, we report that, in our opinion, Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding year.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

1. PURPOSE OF THE ORGANIZATION

The Children's Hospital of Eastern Ontario Foundation/La Fondation du Centre hospitalier pour enfants de l'est de l'Ontario, [the "Foundation" or "CHEO"] is incorporated under the laws of Ontario as a corporation without share capital. The Foundation is a registered charity under the *Income Tax Act (Canada)* and, while registered, is exempt from income taxes and may issue tax donation receipts.

The Foundation furthers the physical, mental and social well-being of children and their families in Eastern Ontario and Western Quebec by raising, managing, and disbursing funds through its support of the Children's Hospital of Eastern Ontario [the "Hospital"]. The Foundation also promotes awareness of children's health issues as well as the Hospital's achievements.

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Part III of the Chartered Professional Accountants Canada Handbook – *Accounting Standards for Not-for-Profit Organizations*, which sets out generally accepted accounting principles for not-for-profit organizations in Canada and includes the significant accounting policies set out below.

Fund accounting

In order to ensure observance of the limitations and restrictions placed on the use of resources available to the Foundation, the accounts of the Foundation are maintained in accordance with the principles of fund accounting. Accordingly, resources are classified for accounting and reporting purposes into funds. These funds are held in accordance with the objectives specified by the donors or in accordance with directives issued by the Board of Directors [the "Board"]. Transfers between the funds are made when it is considered appropriate and authorized by the President. To meet these objectives of financial reporting and stewardship over assets, certain interfund transfers are necessary to ensure the appropriate allocation of assets and liabilities to the respective funds. These interfund transfers are recorded in the statements of operations and changes in fund balances.

For financial reporting purposes, the accounts have been classified into the following funds:

- [i] The General Fund accounts for the Foundation's general fundraising, granting, and administrative activities. Unless otherwise specified, any investment income earned is included in the General Fund.

**Children's Hospital of Eastern Ontario Foundation
La Fondation du Centre hospitalier pour enfants de l'est de l'Ontario**

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

- [ii] The Restricted Fund includes those funds where resources are to be used for an identified purpose as specified by the donor, as stipulated by the fundraising appeal or as determined by the Board.
- [iii] The Endowment Fund includes funds where either donor or internal restrictions require that the principal be invested by the Foundation in perpetuity. The investment income generated from assets held for endowment purposes must be used in accordance with the various purposes established by the donors or the Board.

Investments and investment income

Investments are recorded at fair value. Transactions are recorded on a trade date basis and transaction costs are expensed as incurred.

Investment income, which consists of interest, dividends, income distributions from pooled funds, and realized and unrealized gains and losses, is recorded in the statements of operations and changes in fund balances. Investment income earned on the Endowment Fund or Restricted Fund resources that must be spent on donor-restricted activities is recognized as revenue of the Restricted Fund. Investment income subject to donor restrictions stipulating that it be added to the endowment is recognized as revenue of the Endowment Fund. Unrestricted investment income earned on General Fund resources is recognized as revenue of the General Fund. Investment losses are allocated in a manner consistent with investment income.

Cash and cash equivalents

Cash and cash equivalents consist of cash on deposit and short-term investments with a short maturity of approximately three months or less from the date of purchase unless they are held for investment rather than liquidity purposes, in which case they are classified as investments.

Foreign currency translation

Transactions denominated in foreign currencies are translated into Canadian dollars at exchange rates prevailing at the transaction date. Monetary assets and liabilities are translated into Canadian dollars at exchange rates in effect at the date of the statement of financial position. Non-monetary assets and liabilities are translated at the historic rate. Exchange gains and losses are included in the statement of operations and changes in fund balances.

**Children's Hospital of Eastern Ontario Foundation
La Fondation du Centre hospitalier pour enfants de l'est de l'Ontario**

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

Capital assets

Purchased tangible capital assets are recorded at cost. Contributed tangible capital assets are recorded at fair market value at the date of the contribution. Amortization is provided on the straight-line basis over the estimated useful lives of the assets as follows:

Computer hardware	4 to 5 years
Furniture, fixtures, equipment	5 to 20 years
Vehicle	5 years

Other assets

Other assets include life insurance policies recorded at cash surrender values.

Revenue recognition

The Foundation follows the restricted fund method of accounting for contributions, which include grants and donations:

- [i] Grants and bequests are recognized when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.
- [ii] Other donations are recorded when received since pledges are not legally enforceable claims.
- [iii] Unrestricted contributions are recognized as revenue in the General Fund when initially recorded in the accounts.
- [iv] Externally restricted contributions, except endowment contributions, are recorded in the Restricted Fund when initially recognized in the accounts. Externally restricted endowment contributions are recognized in the Endowment Fund when initially recognized in the accounts.
- [v] Lottery and events revenue is recognized in the fiscal year in which the program is concluded.
- [vi] Contributions of materials are recorded when a fair value can be reasonably estimated and when the materials are used in the normal course of the organization's operations and would otherwise have been purchased. Materials such as medical journals and donated equipment for use by departments within the Hospital are recorded as revenue in the Restricted Fund, with a corresponding expense recorded as a contribution to the Hospital. The Foundation has items valued in excess of \$1,000 appraised by third parties in order to validate the fair value for reporting and tax receipt purposes.

**Children's Hospital of Eastern Ontario Foundation
La Fondation du Centre hospitalier pour enfants de l'est de l'Ontario**

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

Allocation of expenses

Expenses are recorded on the accrual basis. The costs of each function include the costs of personnel and other expenses that are directly related to the function. General support and other costs are not allocated.

Multi-employer plans

The Foundation participates in a multi-employer defined contribution pension plan. Contributions are recognized on an accrual basis.

8. PARKING AGREEMENT

On December 21, 2011, the Foundation entered into an agreement to lease the parking facility owned by the Hospital. The term of the lease was three years, beginning on April 1, 2012 and ending on March 31, 2015 with lease payments of \$77,409 per month which continued through the negotiation of a new agreement. This amount is included in Direct Expenses on the Statement of Operations. Subsequent to year-end on April 15, 2016, the Foundation renewed the agreement to lease the parking facility from the Hospital, effective April 1, 2015, for a three year period ending on March 31, 2018 at the same payment terms of \$77,409 per month.

The Foundation has a management agreement with the Hospital in connection with the parking facility whereby the Foundation was appointed manager of the facility.

**Children's Hospital of Eastern Ontario Foundation
La Fondation du Centre hospitalier pour enfants de l'est de l'Ontario**

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

During the year, the Foundation earned revenue of \$3,901,642 [2014 – \$3,721,617], from the parking operations, and incurred \$919,678 [2014 – \$883,713] in lease expense to the Hospital and \$473,765 [2014 – \$420,360] in management fees and operating costs during the year. These expenses were recorded under Direct Expenses on the Statement of Operations. It was agreed by the parties that the net revenue over expenses related to parking operations would be used to support the Hospital, as is the mandate of the Foundation, and as a result \$2,444,134 [2014 – \$2,448,095] was distributed to the Hospital for Capital and programs. The residual amount retained by the Foundation of \$64,065 [2014 – \$30,551], represents a percentage negotiated by the parties.

**9. DISTRIBUTIONS TO CHILDREN'S HOSPITAL OF EASTERN
ONTARIO AND CHILDREN'S HOSPITAL OF EASTERN ONTARIO
RESEARCH INSTITUTE**

The capital and programs and contribution of services distributions comprise grants for the following purposes:

	2015	2014

10. PENSION PLAN

Substantially all of the full-time employees of the Foundation are members of the Hospitals of Ontario Pension Plan [the “HOOPP”] which is a multi-employer final average pay contributory pension plan. Contributions to the HOOPP during the year by the Foundation on behalf of these employees amounted to \$230,550 [2014 – \$218,575] and are included in Indirect Expenses under other fundraising expenses and administration expenses in the statement of operations.

**Children's Hospital of Eastern Ontario Foundation
La Fondation du Centre hospitalier pour enfants de l'est de l'Ontario**

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

The most recent valuation for financial reporting purposes completed by the HOOPP as at December 31, 2015 disclosed total assets available for benefits of \$60 billion with pension obligations of \$49.2 billion, resulting in a surplus of \$10.8 billion. At the end of 2015, the HOOPP was 122% funded, this fully funded status means the Plan has sufficient assets to pay every promised member's pension benefit, with no shortfall.

During the year, the employer contribution rate to the plan was 126% [2014 – 126%] of the employee amount.

11. COMMITMENTS

[a] As at December 31, 2015, commitments amounting to \$16,769,855 have been approved by the Foundation's Board of Directors to fund expenditures on behalf of the Children's Hospital of Eastern Ontario, Children's Hospital of Eastern Ontario Research Institute and Roger's House for fiscal 2016, as follows:

	2016 \$
Research and equipment	1,500,000
Capital equipment	4,121,200
Research grants and programs	5,008,000
Programs and services	3,120,655
Research building	50,000
Other capital	2,390,000
Roger's House	580,000
	16,769,855

Of the committed amount, the Board of Directors has approved an amount of up to \$150,000 per year to 2021 related to Phase 2 of the Research Institute Facility.

The committed amount classified as other capital relates to the funds expected to be generated from the parking agreement [*note 8*].

[b] The Foundation has a letter of credit outstanding, required in connection with its Dream of a Lifetime lottery, amounting to approximately \$2,934,250, which expired February 20, 2016.

12. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

The Foundation is exposed to various financial risks through transactions in financial instruments. The Investment Policy of the Foundation addresses Risk Tolerance and is structured so as to provide for the generation of the maximum rate of return while assuming an appropriate level of risk keeping in mind the goals of capital preservation.

Foreign currency risk

The Foundation is exposed to foreign currency risk with respect to its investments denominated in foreign currencies, including the underlying investments of its pooled funds denominated in foreign currencies, because of fluctuations in the relative value of foreign currencies against the Canadian dollar.

Credit risk

The Foundation is exposed to credit risk in connection with its accounts receivable and its short-term and fixed-income investments because of the risk that one party to the financial instrument will cause a financial loss for the other party by failing to discharge an obligation.

Interest rate risk

The Foundation is exposed to interest rate risk with respect to its fixed-income investments and a pooled fund that holds fixed income securities, the values of which will fluctuate with changes in market interest rates.

Liquidity risk

The Foundation is exposed to the risk that it will encounter difficulty in meeting obligations in connection with its accounts payable and accrued liabilities.

Market risk

Market risk arises as a result of trading in equity securities and fixed-income securities. Fluctuations in the market expose the Foundation to a risk of loss.

Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices [other than those arising from interest rate risk or currency risk], whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. Management believes that no material other price risk factors exist.
